Song	Video
<p>1. (C) I am the earth underneath (G) I am the air that you (C) breathe I am the water that's (Esus) refreshing you I am the breeze that's (Am) caressing you</p> <p>But more than earth and (F-C) water My (Gsus) child I am your (C-G-C) mother</p>	<p>Main character, Adam, around 30, is walking bare feet in the woods. Underneath, we see earth with roots and leaves. Adam stretches and takes a deep breath. He drinks from a stream. He sits on a rock and the wind caresses his hair.</p> <p>Behind him, a motherly woman, around 50 (Mother Earth) appears. She is wearing a long earthen colored dress and has fruits and flowers in her hair. She is watching Adam through the branches.</p>
<p>2. You were born on my lap On me you took your first step There was no day I didn't care for you There was no time I didn't think of you</p>	<p>Baby Adam is born. Mother puts flowers on his bed. Takes his first step. Mother is holding him. Adam in cradle. Mother is rocking the cradle. Adam playing with parents. Mother watching and smiling.</p>
<p>My child how could you forget I am your mother</p>	<p>Adam is throwing plastic cups on the earth during a picnic in the woods. Mother is watching, closing her eyes.</p>
<p>3. My child please listen to my plea You hurt yourself when you hurt me Behind the nature that you see There is a face – and it's me</p> <p>Tears fall one after another Cos I am your mother</p>	<p>Adam is flying to the other side of the world to lie on the beach and operate his smartphone there. Contrails in the sky. His small daughter Anna coughing under that sky. Lying in bed sick. Forest. Trees. Mother.</p> <p>Drops fall from a leaf. A waterfall. Tears of Mother crying. Mother caressing Anna.</p>
<p>4. You can't see me but I see you I'm watching everything you do I pray for you night and day But you keep running away</p>	<p>Adam looking out of car in woods. Mother watching. Adam changing oil of car in nature. Adam drinking and laughing at a party. Mother praying at night. Adam running to catch flight.</p>
<p>Still I love you like no other Cos I am your mother</p>	<p>Adam sleeping in airplane. Mother covering him with towel.</p>
<p>Musical part</p>	<p>Adam waking up, pulling back towel and discovering fragrant flowers under it. Adam is unlocking his car but stops before getting in. Adam in train, smiling. Adam in woods.</p>
<p>(bridge:)</p>	
<p>(C) My child when will you (G) return Into my arms into my (C) fold I will hold you and (E) caress you And never let you (G) go</p>	<p>Adam drinking from fresh stream. Hugging trees. Watching birds. Resting under tree. Mother is embracing him from behind. Mother is caressing Adam.</p>
<p>1<sup>st</sup> verse</p>	<p>Same like above, but with characters of different age, gender and race.</p>
<p>My (F) darling (G) child I am your (G) mother (C) I am your (F) mother (G) I am your (G) mother (C) (4x)</p>	<p>Separate shots of Mother hugging them all.</p>
